

Certificate of Insurance and Tax Invoice

Miss Amanda Tomlinson

Dear Miss Tomlinson,

Thank you for activating your Credit Card Travel Insurance with us.

This is your Certificate of Insurance, which gives you a brief outline of your insured journey, any upgrade add ons you've selected and the premium that you've paid for them.

Note: This policy document will only be valid if you've met the \$500 pre-paid spend requirement.

Have you met the \$500 spend requirement?

To access this policy and ensure you are covered, you must also spend at least \$500 in a single transaction on your prepaid travel costs (e.g. the cost of your return overseas travel ticket, prepaid accommodation, cruise, travel or tour) by charging the cost for that trip on your eligible card account before leaving Australia. (You will also qualify if the \$500 worth of prepaid travel costs is redeemed using CommBank Awards points).

Note: This policy document does not confirm if you have met the spend requirement or not. You must ensure this has been met to receive cover. If you'd like more detailed information about your cover, please read this in conjunction with your Product Disclosure Statement and Information Booklet. And, of course, if you need to change anything or need help, simply call our team on 1300 467 951.

Finally, please visit www.covermore.com/cbatravelinsurance for important notices and travel advice that may affect your travel and your policy.

Kind regards

The CommBank Travel Insurance Team
